JULY, MONTH OF THE PRECIOUS BLOOD

BY: KATLEHO LINTSO

The month of July is dedicated to the Precious Blood. The feast of the Precious Blood of our Lord was instituted in 1849 by Pius IX, but the devotion is as old as Christianity. The early Fathers say that the Church was born from the pierced side of Christ, and that the sacraments were brought forth through His Blood.

" GREATER LOVE THAN THIS NO MAN HATH, THAT A MAN LAY DOWN HIS LIFE FOR HIS FRIENDS."

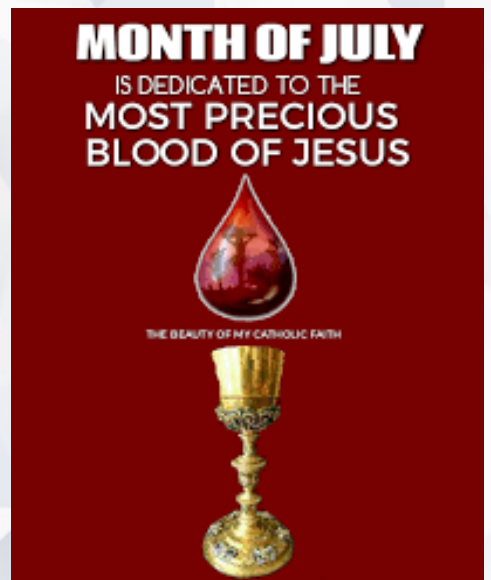

JOHN 15:13

"The Precious Blood which we worship is the Blood which the Savior shed for us on Calvary and reassumed at His glorious Resurrection; it is the Blood which courses through the veins of His risen, glorified, living body at the right hand of God the Father in heaven; it is the Blood made present on our altars by the words of Consecration; it is the Blood which merited sanctifying grace for us and through it washes and beautifies our soul and inaugurates the beginning of eternal life in it."

PRECIOUS BLOOD PRAYER

Almighty, and everlasting God, who hast appointed Thine only-begotten Son to be the Redeemer of the world, and hast been pleased to be reconciled unto us by His Blood, grant us, we beseech Thee, so to venerate with solemn worship the price of

our salvation, that the power thereof may here on earth keep us from all things hurtful, and the fruit of the same may gladden us for ever hereafter in heaven. Through the same Christ our Lord. Amen.

MATRIC DANCE EXPERIENCE

BY: LUPHUMLO MHLONGO

Matric Dance was truly a blessing. This is one of the last times we will be together as a Grade. Everybody came dressed to impress especially the Boarders, we came and showed how Boarders really do it. This night was really special from getting ready, to the pres. The whole night was almost perfect for lack of a better term. I would like to give a big shoutout to Mr Vas our Head of Boarding he really and truly is making us the men we are becoming today, I mean our accolades and accomplishments speak for themselves.

1ST TEAM HOCKEY EXPERIENCE

This hockey season initially started off rough, because I believed that I was not good enough. As team bonding sessions happened, I felt uplifted by my teammates. I gained more confidence in myself and that's when the season got better and better. I believe that this is one of the best seasons that I have had in my Bennies Career so far. I really enjoyed this season with the boys. I have learnt a lot, there were a lot of ups and downs this season but mostly ups, but overall I felt this was a really good season.

Walking into the Rugby Season this year I could tell that I was ready! I had been training for the past 6 to 8 months. I am truly grateful to Mr Barnes, Mr Antonites and Oom Fredricks, all the staff members and all

the friends that pushed me to work at my hardest and I can safely say it payed off. I also had an opportunity to showcase my skills in the B Team at the Monument Lions 7's Tournament. I am truly grateful for every opportunity and I am grateful for the successful season that we had.

FORMER BOARDER

This year I'm doing my FGASA training where you spend the year in the bush and learn how to become a safari guide and a walking guide. You go over tracking where you learn all about animal tracks and then how to track them down on foot. You spend the first 6 months of the year learning and then spend the next six years at a lodge where you learn how to be a guide at a lodge. An amazing memory from the boarding house is that it's a brotherhood you spend five years with the people in your grade and you all grow together through tough times that come your way, and it's a place where you can make friendships with people that you will hold for a long time. Some advice I would give for other Boarders is that you need to stay together with your close friends and when times get tough you need to work together and overcome the challenges that you face. In the boarding house it's a place where you grow by yourself and become the person you want to become.
