NOTES:				
<ol style="list-style-type: none"> The Grade 12 IEB Examination Fee is payable in full by the end of May. Should a candidate offer more than the seven-subject package, there will be a charge of R1 490 for each subject in addition to the seven subjects. This will include learners who are registered for Mathematics and Mathematical Literacy. Gr 12 parents will be billed for their son's matric jacket and matric dance ticket/s. Both are optional extras. St Benedict's does not require a refundable term's fee in advance. Instead, our non-refundable enrolment fee is a once-off payment, payable in the relevant amount only when one first enrolls at the school and not as a pupil progresses through each section of the school. The exception is the progression from Grade 00 to Grade 0, at which time the initial R5 000 fee for Gr 00 must be topped up to R15 000. The enrollment fee forms part of the general funds of the school. A Capital levy of R4 950 per annum is billed as follows: 1st child - R4 950. 2nd child - R3 700. 3rd child - R2 475. Matric parents are exempt from this Capex Levy. Family Discounts for brothers at St Benedict's and for sisters at Holy Rosary School and Assumption Convent School are offered as follows: One child: Full fees. Two children: 5% discount on total fees. Three children: 10% discount on total fees. Four children: 15% discount on full fees. Five children: 20% on full fees.
